MINOW Net Preamble

QST, QST, QST. This is the MINOW Net which meets every Thursday evening at 7:30 pm Pacific time and every Friday at 8:30 a.m. on 3.812 or thereabouts.

This is (*your call sign*), net control for today Friday, _____ (date).

My name is (*your name*), my QTH is (*your location*).

Any licensed YL is invited to check in. This is not a traffic net but arrangements can be made to handle traffic off frequency. Please listen for break-in stations and give net control time to pick them. Please let me know if you are on short time.

This is (*your call sign*) and I'm ready for check-ins.

This is (*your call sign*) closing the MINOW Net at (*time*) Pacific Time.
