

Thursday

MINOW Net Preamble

QST, QST, QST. This is the MINOW Net which meets every Thursday evening at 7:30 pm Pacific time on Echolink node 286905 and every Friday morning at 8:30 AM on 3.812 or thereabouts.

This is (*your call sign*), net control for today, Thursday, _____ (date).

My name is (*your name*) and my QTH is (*your location*).

Any licensed YL is invited to check in. This is an informal net for all YL's to get together and chat. I will take check-ins, comments, and other traffic. Emergency traffic has priority and will be handled immediately.

We would like to thank ALARA for the use of this node.

This is (*your call sign*) and I am ready for check-ins.

This is (*your call sign*) closing the MINOW Net at (*time*) Pacific Time. I would like to thank all who checked in and we would like to thank ALARA for the use of their Echolink node.
