Spring 2018 Newsletter

From the President

**HAVE A WONDERFUL
SPRING IN 2018 AND
ENJOY THE BLOSSOMS!**

At my household we are enjoying the longer days and the spurts of sunshine. It was tee-shirt weather March 9th and 10th and we all felt renewed! We've all been busy with Spring cleaning and preparing for more time outside. Breathing the fresh air always makes us start feeling more energized and younger again! Blossoms on the trees, flower bulbs are blooming, and "kerchoo" the allergies are back again. Soon we'll be mowing lawns!

I've recently acquired a new Bookkeeping client and have just finished the Financial Statements for the Tax Return. That along with preparing the family's Tax Returns has kept me rather busy. Whew! Glad that's done for another year.

I am looking into changing my callsign since I passed my "Extra" class test last November 18th. YES! You heard right! Finally I passed my test. It was the second time I took the test. I set a goal for myself a few years ago and finally hunkered down and studied hard for the test. For my reward, I recently bought a used laptop for my Hamshack and I'm loading up the appropriate software. Soon I will be ready to try some digital contacts and join you on the NET's. Margaret, Marilyn and I met this month in Battleground for our Board Meeting and made plans for the upcoming Annual MINOW NET Convention on May 5, 2018. Cinco de Mayo! Margaret made the notes and will be getting the information out to everyone. We're looking forward to seeing all of you again! Hope you can all make it.

Vanessa, KE7UBB
President MINOW NET
73's and 33's to all!

Skye, KA7SKY, reports that her new ham shack is finally ready for “antenna tries”. Also, she passed Level 1 of cwops (cw operations). *Congratulations Skye!*

Elizabeth, KK7VO , writes: Not much to report except that I'm president of the Palouse Hills Amateur Radio Club. Other than that, I haven't had time to do much with radio. *Congratulations Elizabeth.*

Rose, KL7FQQ, writes: Hello Lady MINOWs

I hope you had a lovely winter; I did. I enjoyed being in Texas with my brother and sister for about six weeks and with my daughter and son-in-law for the entire winter. But, as they say, all good things must end and I'm now on my way back to Alaska. I'm sojourning in NM with my youngest daughter and her family and will fly back to Fairbanks on April 3.

I am told that the remodeling of my house in Fairbanks is complete, so I'm looking forward to getting back, getting some boxes unpacked, and things put away. I also hope to spend time working at the Kitty Hensley House (a historical house) at the Pioneer Park. I enjoyed that a lot last year and I even managed to sell several of the books that I wrote. Sales are a bit slow on Amazon, but still continuing. It is exciting when I get to do a book signing.

I'm planning the YLISSB Convention for 2019 in Fairbanks. It would be great to have a MINOW presence! So, plan on coming. The dates are June 5-8, 2019.

Have a wonderful Summer.

Rose, KL7FQQ

Marilyn, AF7BI, writes: Hello to all MINOWs, I am really looking forward to the Convention coming up in May. I do hope many of you can come and join us. It's always nice to meet more MINOWs. Vanessa, KE7UBB, Pres; Margaret, AE7MB, Secty/Treasurer; and I, AF7BI, Vice President, had a board meeting, where we discussed the future of MINOWs, and planned the convention. It was a good time getting together. We decided that we were really all on the same page about what we want for MINOWs.

I had a chance to go to Honolulu a month or so ago. My OM and I usually take a trip for our anniversary, but he had commitments he couldn't change and we couldn't cancel the trip, so I went alone. I really did have a good time. My OM and I talked a couple times a day and I had the chance to see everything I wanted to see. It was a really good trip. Now to get my OM there again and show him what I saw last time.

I'm able to get on HF more and more. I'm still practicing code and I'm enjoying the radio more and more as I do other things. Now to try some contests.

Again I hope to see all of you at the convention.

33, Marilyn, AF7BI, MINOW Vice President

Barbara, AC7UH, writes: Linda AA6MR, Margaret AE7MB, Nicole N7XBY, and Barbara AC7UH teach a six session Technician license class for YLs every year in March and October. The March 2018 class had six members. Five of the members took the license exam on March 17 and every one of them passed! Thanks to the instructors for their hard work. It takes concentration and participation from both the students and instructors to have everyone pass. Congratulations to the students for passing their exam!

I gave them for birthday gifts. I did one for my cousin in red and black and put ladybugs all over it. My best wishes 33, Emily WA6YL

Board Meeting Minutes

MINOW Board Meeting
March 6, 2018
Battle Ground Library

Attendees: Vanessa, KE7UBB
Marilyn, AF7BI
Margaret, AE7MB

The meeting was opened at 10:54 am by Marilyn.

The Annual Membership Meeting will be on May 5 at 1:00 pm at Margaret's residence. We planned the meeting, then discussed what we wanted to do about dinner. After some discussion we decided to have our dinner at Mill Creek Pub.

Earlier this year we sent out a survey regarding increasing our annual dues. Since we received only a few responses, we decided that the dues would increase from \$1.00 to \$3.00 effective May 1, 2018. In addition we decided that members who pay their 2018 dues before May 1, 2018, could do so at the current rate (\$1.00 per year).

Marilyn suggested that we should devise a policy for handling disruptive members. We do not have a problem with disruptive members at present, but we are seeing it happen more and more in today's world and should be prepared to handle the situation, should it arise. A discussion commenced and then tabled to another time.

The meeting was adjourned at 12:45 pm.

Respectfully submitted by Margaret, AE7MB
